

## Venues of Care Directory

Off-site specialty care must be provided by a provider contracted with DOC unless:

- The needed service is not available with a contracted provider in a timely manner AND an emergency exists OR
- The specific service and location have been authorized by CRC or other authorizing mechanism described in the OHP

If it is necessary to use an off-site specialty provider who is not contracted with DOC, the DOC Health Services Contracts Specialist must be notified as soon as possible in order to attempt to agree on a contract for the service to be provided.

Outside hospital care must be delivered at one of the following locations unless:

- The needed service is not available at any of these hospitals in a timely manner AND an emergency exists OR
- The specific service and location have been authorized by CRC or other authorizing mechanism described in the OHP.

If it is necessary to use a hospital not listed below, the DOC Health Services Contracts Specialist must be notified as soon as possible in order to attempt to agree on a contract for the service to be provided.
